

YASHARTH SINGHAL

AI Full Stack Engineer

9720277774 | yashsinghal6244@gmail.com | linkedin.com/in/yasharth-singhal | yasharth.online

SUMMARY

Full-Stack Software Engineer specializing in React.js, Next.js, Node.js, Express.js, TypeScript, MongoDB, and PostgreSQL. Experienced in building and deploying production web applications, REST APIs, real-time communication systems, and AI-powered workflows. Hands-on experience with authentication, WebSockets, WebRTC, payment integrations, cloud deployment, and scalable backend architecture..

SKILLS

- **Languages:** JavaScript, TypeScript, Python, SQL
- **AI / GenAI:** LLMs, OpenAI, Hugging Face, LangChain, LangGraph, Agentic AI, AI Agents, RAG, Embeddings
- **Web Technologies:** React.js, Next.js, HTML5, CSS3, Tailwind CSS, Bootstrap, Node.js, Express.js, FastAPI, REST APIs, Socket.IO, WebRTC, Firebase
- **Databases:** Vector Databases, MongoDB, PostgreSQL, MySQL
- **Tools & Cloud:** Docker, Git, GitHub, AWS (IAM, S3, EC2), Vercel, Render, Shopify, Antigravity, GitHub Copilot, Codex

EXPERIENCE

Full Stack Developer | Startappss System India Pvt. Ltd, Noida | Jan 2026 – Present

- Developed and maintained **MERN stack applications** across frontend, backend, database, and API layers.
- Built **responsive React.js interfaces and reusable components** integrated with RESTful APIs.
- Developed backend APIs and business logic with **MongoDB, CRUD operations, and data modeling**.
- Debugged full-stack issues and improved **application reliability, performance, and maintainability** using Git/GitHub workflows.

Data Analyst Intern | Wakenode Technologies | Sept 2023 – Oct 2023

- Assisted with **Salesforce CRM configuration, data handling, and basic CRM workflows**.
- Supported data management and configuration tasks within Salesforce-based business processes.

PROJECTS

Headless E-Commerce Platform

Shopify Hydrogen | React | TypeScript | GraphQL | Node.js | Shopify Oxygen | Vercel

- Built a **headless e-commerce storefront with 34 routes, 27 reusable components, and 15+ GraphQL operations**, covering product catalog, search, cart, checkout, and customer account workflows.
- Developed a **custom headless checkout flow** supporting Cash on Delivery and CC Avenue prepaid payments, including order creation and payment workflows.
- Implemented **passwordless OTP authentication, customer account management, real-time inventory validation, and transactional email workflows**.
- Implemented **server-side rendering and edge rendering** and deployed the storefront using **Shopify Oxygen and Vercel**, with TypeScript across the application.

TeamSync | Project Management & Team Collaboration Platform

Next.js | React | TypeScript | Node.js | Express.js | MongoDB | Socket.IO | WebRTC | Firebase

- Built a full-stack project management platform with **50+ REST APIs and 14 MongoDB models**, supporting Kanban issue tracking, sprint management, analytics, and multi-workspace RBAC.
- Implemented **real-time WebSocket communication and WebRTC peer-to-peer audio/video calling**, with Firebase authentication, JWT-based sessions, and Zod request validation.
- Developed responsive dashboards and collaboration workflows for **team, project, issue, and communication management**.

Car Service Management Admin Panel

Full Stack | React.js | Node.js | REST API | Database | Vercel

- Built and deployed a full-stack **service management dashboard** on Vercel, covering **job cards, bookings, quotations, appointments, customers, vehicles, services, payments, revenue, expenses, overdue jobs, and reminders** with responsive admin workflows.

ConnectX | Real-Time Communication Platform

MERN Stack | React.js | Node.js | Express.js | MongoDB | Socket.io | Firebase | WebRTC

- Built a **real-time communication platform** with MERN, Socket.IO, Firebase, and React.js, supporting **one-to-one/group messaging, reusable UI components, user management, and real-time message synchronization**.
- Implemented **Firebase Authentication, JWT-based sessions, and WebRTC peer-to-peer audio/video calling**, enabling secure authentication and real-time communication workflows.

EDUCATION

- **Master of Computer Applications (MCA)**
ABES Engineering College, Ghaziabad | 2026
- **Bachelor of Computer Applications (BCA)**
RVHET Institute, GB Nagar | 2024

CERTIFICATIONS

- AWS Cloud Practitioner — Udemy
- Salesforce CRM — Wakenode Technologies
